Get the *MacBook Essentials* guide
Learn more about setting up and using your MacBook in the MacBook Essentials guide. To view the guide, go to help.apple.com/macbook.

Support
For detailed information, go to www.apple.com/support/macbook. To contact Apple, go to support.apple.com/contact.
Welcome to your MacBook
MacBook automatically starts up when you lift the lid. Setup Assistant helps you get up and running.

Multi-Touch trackpad gestures
Brush with two fingers on the trackpad to scroll up, down, or sideways. Swipe with two fingers to flip through web pages and documents. Click with two fingers to right-click. You can also click and then press deeper on the trackpad to Force click text and reveal more information. To learn more, choose System Preferences in the Dock, then click Trackpad.

USB-C
Charge your MacBook and connect external storage or a display.
